

De Coteau Trauma-Informed Care & Practice

MENTAL HEALTH CLINICAL NURSE SPECIALIST: De Coteau Trauma-Informed Care & Practice, PLLC is seeking to hire a full-time clinical nurse specialist. The position will be located in a private practice setting with service delivery primarily to children, adolescents and adults who suffer from complex trauma.

The Clinical Nurse Specialist (CNS) will provide diagnostic and assessment services, as well as ongoing medication monitoring and treatment for clients. Applicant will also work closely with mental health staff and provide consultation as needed.

MSN with CNS certification and DPH/DEA authorization to prescribe medication required. Must be licensed in North Dakota as a Registered Nurse, and have experience treating children with mental health and neurodevelopmental disorders. Must be familiar with community resources and possess good communication and interpersonal skills. Computer proficiency including ability to work with electronic health records, email, and word processing software required.

Review of applications will continue until the position is filled. Address letter of interest, vitae, and three letters of recommendation to: Tami De Coteau, PhD and email to tamidecoteau @ yahoo.com or mail to 515 ½ East Broadway Ave. Ste. 106, Bismarck, ND 58501
