

De Coteau Trauma-Informed Care & Practice

CLINICAL OR COUNSELING PSYCHOLOGIST: De Coteau Trauma-Informed Care & Practice is seeking to hire a full-time clinical or counseling psychologist. The position will be located in a private practice setting with service delivery primarily to children, adolescents and adults who suffer from complex trauma.

Applicants with clinical interest and expertise in cognitive-behavioral therapy for trauma, anxiety and mood disorders are encouraged to apply. Experience with assessment and treatment of neurodevelopmental disorders is desired. Experience working with Native American patients and youth with foster care and/or judicial involvement will be viewed favorably.

Applicants must possess a doctorate degree from an APA/CPA-accredited graduate program and be eligible for immediate licensure in North Dakota.

Review of applications will continue until the position is filled.
